

## ABOUT

Mission 29:11 is a re-entry based ministry that exists to enable healthy re-entry by men and women returning to society from prison by providing one-on-one mentorship, efficient access to outside resources, and a welcoming community.

## OPPORTUNITIES

This is a mentorship program that pairs each volunteer with one inmate six months prior to their release and continuing for six months post-release. The aim of the mentorship is to build hope and relationship, adhering to strict boundaries and guidelines. Volunteers will go through training beforehand and have monthly ongoing training with Mission 29:11 leaders. Male mentors will meet at the Lino Lakes Facility and female mentors will be at the Shakopee Correctional Facility.
