

# READY TO TAKE THE NEXT STEP HERE AT RENOVATION?

Come serve alongside us on Sunday mornings! Our prayer is that every adult who calls Renovation Church their home will pick up an oar and join in our mission to follow Jesus and help others do the same. Our volunteer ministry teams require that you serve a minimum of two services per month so that our volunteers can stay sharp in their serving role and get to know others on their team as well! We do recommend that you be a part of no more than two ministry teams at one time. Check out the team descriptions below to find which one is the right fit for you!

## RENOVATION KIDS

Renovation Kids is passionate about helping children ages 0 to 11 grow in their faith! There are multiple fun and engaging roles that you can choose from in this area: caring for little ones in the nursery, teaching or assisting in the classrooms, helping families check their kids in for the morning, working with special needs children, or leading worship.

## GREETING TEAM

The Greeting Team welcomes people as they come to church with a friendly “hello” and a smile. They hold open doors and hand out bulletins to people as they enter the Worship Center. The Greeting Team plays an integral role in providing a welcoming environment to all who come to worship at Renovation Church on a Sunday morning.

## CREW TEAM

Come join the crew of volunteers that sets and resets the Worship Center for each of our Sunday morning services. Members of this team help to quickly restock items under each chair in the Worship Center so that anyone who comes to a service has available to them a Bible, a pen, a giving envelope, and any other materials needed for that Sunday morning.

## USHER TEAM

The Usher Team is committed to making as much space as possible in the Worship Center by helping families find an available space to sit. Volunteers on the Usher Team welcome people when they enter the Worship Center and direct them to a row that has enough seating for their group size.

## BAPTISM TEAM

Baptism is an amazing part of a person’s faith journey in publicly declaring their faith in Jesus, and preparing the stage for performing baptisms takes work! The Baptism Team takes responsibility for preparing the stage in the Worship Center for those to get baptized, and then resetting the stage afterwards. This team helps set up and reset in a quick and non distracting manner during each baptism service. Members of this team must be able to carry heavy loads.

## **CAFE TEAM**

The Cafe Team creates an inviting atmosphere in the lobby of Renovation Church where people feel welcome to connect and socialize with one another on Sunday mornings. Cafe volunteers serve a variety of baked goods and they keep the coffee flowing all morning long. Renovation Church's cafe is open before, during, and after services every Sunday.

## **AUDIO/VISUAL TEAM**

The Audio/Visual Team helps create an engaging environment while people worship and listen to the message on Sunday mornings. The volunteers on this team run our soundboard, ProPresenter, video, and lighting. Each of these roles are so important that we recommend these volunteers be extremely detail-oriented! Audio/Visual Team volunteers are scheduled to serve the entire morning when they volunteer.

## **WORSHIP TEAM**

Worship Team members play a huge role in providing an experience where people can encounter God during our services! Due to the complexity of the position, we do require everyone to go through an audition process. Auditions happen twice annually. Worship Team rehearsals are on Thursday evenings for the following Sunday, and the Sunday morning time commitment is from 7:00AM - 12:45PM.

## **PARKING TEAM**

The Parking Team is our team of first impressions. They are the first volunteers to welcome people to Renovation Church, so this role is an important one! Parking volunteers warmly welcome people as they arrive and help direct vehicles to open parking spots. In the winter, part of the team also treats ice and makes sure that any freshly fallen snow is cleared from sidewalks. Members of the parking team must be at least 16 years of age.

## **STREET SIGNS**

The Street Signs Team is responsible for placing and picking up six Renovation Church A-frame signs each weekend. The signs are set up on Friday evening and taken down on Sunday afternoon. We average almost one new visitor a WEEK from street signs alone!

## **LANDSCAPING TEAM**

Help keep the Renovation Church grounds looking beautiful by joining the Landscaping Team! The Landscaping Team works together throughout the year to maintain the plants and rocky areas of the church property by pulling weeds, picking up trash, and conducting other routine seasonal landscaping tasks. A unique aspect of joining this team is the ability to serve independently as you are able during the week.
